

Want to apply your academic studies to real-world problems?

Interested in helping to create solutions that have an impact?

Apply to participate in our Sophomore Summit by March 28, 2027.

Sophomore Summit 2027

Our unique program is designed for select college sophomores (graduating in 2029) who bring diverse perspectives and life experiences to the firm. The Sophomore Summit is open to qualified undergraduates from a wide range of colleges and universities.

During the program, you'll learn about the economic consulting industry and the work we do at Cornerstone Research. You will complete a project focused on the types of cases our firm handles, get to know our team members, and have the opportunity to network with your Sophomore Summit cohort. We'll also provide an overview of our Summer Analyst recruiting process.

How do I know the Sophomore Summit is for me?

We encourage you to apply if any of these qualities describe you:

- Analytical and intellectually curious
- Ready to learn new skills
- Drawn to economics and finance
- Interested in a consulting career

When is the program?

The two-day virtual program will take place May 26-27, 2027.

Ready to apply? Here's how.

Visit our [careers page](#) for full details. Please submit your resume, college transcript, cover letter, and application questions by March 28, 2027.
